

Walworth County Association for Home and Community Education

A non-profit organization serving individuals and families throughout Walworth County.

Mission Statement

HCE offers opportunities for:

Learning in a
social setting

Sharing what we
learn

Caring to
make a
difference in
our homes,
communities,
and world.

Membership

The house without walls confirms a commitment to membership open to all, regardless of race, color, creed, religion, sex, age, handicap, or national origin.

Learning Opportunities

Our educational and service opportunities include families throughout the lifespan, food and nutrition, cultural arts, international lessons, and mystery trips.

Stitches of Love

Hundreds of handmade quilts, mittens, hats, book bags, and other needlework items are donated to children and families every year.

Thousands of turbans and comfort pillows have been made for cancer patients at local hospitals.

Personal care kits are assembled and donated to local shelters. These care kits include personal hygiene items that are often costly to individuals and families.

Services of Love

This program encourages preschool children to develop a life-long love of reading and learning. Walworth County HCE members volunteer at seven sites.

Wisconsin Bookworms

Smart Gardening Day

Smart Gardening Day is a fun filled day of educational classes including everything from creating floral arrangements to cooking with herbs.

Log Cabin

Daily, HCE displays club projects, demonstrators, and hosts a community corner.

HCE oversees the Log Cabin at the Walworth County Fair.
