## What is HCE?

### *Walworth County Association for Home & Community Education*

HCE is a non-profit organization that partners with UW-Extension Family Living Programs, at both the state and county level, to bring quality educational programming to our members and our communities.

Walworth County HCE and other HCE groups in more than 60 counties in the state make up the Wisconsin Association for Home and Community Education Inc. We are affiliated nationally through the Country Woman's Council (CWC) and internationally with the Associated Country Women of the World (ACWW).

Membership in HCE is open to both men and women. All members within the same household may take part in HCE activities. We offer Club Membership in any of the five clubs in the county or Independent Membership for those who do not wish to be involved in a club.

- Walworth County HCE offers two educational sessions each year. Topics for these sessions are suggested by the members.
- We host an international dinner and study of a foreign country each year.
- We sponsor Smart Gardening Day with Master Gardener Volunteers in March.
- We sponsor a Mystery Trip in July, traveling by bus to interesting sites in the area.
- HCE Members hostess in the Log Cabin at the Walworth County Fair, where we sponsor exhibits and daily demonstrations.
- We publish a newsletter four times a year.
- We sponsor and participate in the Wisconsin Bookworms Project for Head Start and Early Childhood Development Centers in the county.
- Our community service projects include sewing turbans for cancer patients, quilts for nursing homes and children, comfort pillows, walker caddies, and quilts for troops.
- Through involvement in HCE, we offer friendship and opportunities for you to share your talents.
