One of our members, Brenda Williams who works at Pesche's, will give a talk about Phalaenopsis Orchids in particular. She'll be showing when and how to transplant, how to fertilize and some care tips. Brenda welcomes you to ask questions and share experiences about your orchids. (Help set up around 5:45pm and take down chairs & tables after the meeting to earn volunteer hours)

Interesting Activities on Google Calendar! I have started putting activities that I hear about on the Google Calendar that may be of interest to our MG Members...as well as activities closer to us. Click on the words in the date box on the calendar for more info. **Hit "ctrl" & click** on [Walworth County Master Gardener Google Calendar](#) At the last meeting I received a bookmark listing various upcoming activities put on by the McHenry County College & University of IL Master Gardeners. *A little ride but not too far!* Sunday, September 30, there is a Farm Stroll co-sponsored by the McHenry County Farm Bureau featuring 12 Diverse, Family-Owned Farms from 10-4pm. For more information go to www.mchenrycfb.org or call 815-338-1520.

Please share what you know with me! If you have a project you need help with, contact Sherry Mathews mathews_se@yahoo.com to have your help request inserted into our MG Google calendar. Remember...go to our MG Google Calendar where you will find multiple possibilities listed.
