What makes Ridge Prairie 4-H Club unique? *We have a number of parent volunteer firefighters, so our meeting time is arranged for parents to make their meetings.*

One thing new families should know about Ridge Prairie 4-H Club is... *we are small, but friendly, and need new members to help make the club everything it can be!*

While at a club meeting, some things families can expect to see or do include... *a short business meeting followed by either an educational or fun activity in alternating months.*

Are parents welcome at meetings? *We encourage them to stay!*

How can parents get involved in the club? What kinds of things can they do? *Parents can help plan educational activities and lead or assist kids with their projects.*

What kinds of programs do you anticipate your club doing this year? *We have a past member who is now a pilot, so we are going to the airport at Big Foot. We are also going swimming and doing adopt-a-highway.*

Most of our members do animal projects, and we are trying to increase participation in other projects and activities.
