Age range of a majority of members: 8-18 years old

Typical length of a meeting from start to finish: 60 minutes

What makes Sugar Creek 4-H Club unique? *We are a 4-H family. We work together to support each other. Many of our member's parents were members of Sugar Creek 4-H growing up.*

One thing new families should know about Sugar Creek 4-H Club is... *we welcome you, and we want to make sure your child is successful. We have extra events for just our new members to help them get set for success.*

While at a club meeting, some things families can expect to see or do include... *Our club has a half hour prior to the meeting that young members can come and participate in an activity. At the meeting, we discuss business and then try to have an activity or speaker.*

Are parents welcome at meetings? *We welcome parents to stay and get involved with our activities and decisions.*

How can parents get involved in the club? What kinds of things can they do? *Our club has many activities throughout the year. We love to have parents help. We also encourage parents with project experience to share if they'd like.*

What kinds of programs do you anticipate your club doing this year? *Highway clean-up, shopping for a Christmas family, Brat Hut fundraiser, club bowling, club skiing, and much more!*

4-H is a great experience for youth to be involved in. There are so many different things to do!
