Youth exhibitors who are in the **BEEF**, **SHEEP**, and **SWINE** Projects must be YQCA-certified in order to show at the 2019 Walworth County Fair.

How to Certify

To achieve certification, youth must visit https://yqca.learngrow.io/Account/Login to create or log into their account and do one of the following:

1) Register for and attend a face-to-face training
2) Register for and complete the on-line training for their age (as of January 1)
3) Successfully test out of training (ages 12, 15, and 19 only) and make the subsequent payment. (If you test, and don't pass, you will be automatically redirected to the online training for your age.)

Cost is $3 for the face-to-face training or $12 for the on-line training/testing, all of which must be paid on-line. The on-line training is estimated to require about 60 minutes.

Face-to-Face Training Options

Walworth County UW-Extension is offering **two face-to-face trainings** for youth, ages 8-18, this year. Those trainings will be held in the County Government Center from 6-8 p.m. on **February 13** (registration deadline = February 11) and **March 21** (registration deadline = March 19). You must register for the specific date and location and pay the $3 fee through your YQCA account at: https://yqca.learngrow.io/Account/Login. You may attend a YQCA face-to-face training in another county if it suits your schedule better. A few days after each face-to-face training, you will be able to log into your account to view/print off your YQCA certificate.

Certification Deadline for Walworth County Fair '19

You must be certified in order to register Junior Department Beef, Sheep, and Swine for the 2019 Walworth County Fair. Fair registration will be open from late April (date TBA) through June 21. Exhibitors must enter their YQCA certification number (found at the bottom right of the YQCA certificate) as part of the on-line fair registration process.

Wisconsin State Fair YQCA Requirements

If you are planning to exhibit animals at the 2019 Wisconsin State Fair, be aware that YQCA certification is required at the state level for Beef, Sheep, Swine, Dairy, Goats, Rabbits, and Poultry. The YQCA certification deadline for State Fair is **May 17, 2019.**

An EEO/AA employer, University of Wisconsin Extension provides equal opportunities in employment and programming, including Title VI, Title IX, and the Americans with Disabilities Act (ADA) requirements.
