

SAT. APRIL 6TH

AT: Walworth County Fairgrounds, Activity Center

FROM: 8 am – Noon

WHAT: Community Service project where all participants will construct a pillowcase to be donated to the Twin Oaks Shelter

WHO: Open to all Walworth County 4-H members enrolled in the **Sewing/Clothing, Looking Good, Home Environment and Youth Leadership** Projects

IMPORTANT: Sign up required! We need to have an accurate count to have enough pillow case kits put together for every participant to sew their own. All finished pillow cases will be donated to Twin Oaks Shelter for the Homeless where all residents are given a new pillow and we would like to provide handmade pillow cases for those pillows.

OTHER DETAILS: Participants **DO NOT** need to have sewing experience. We will be working with members of the Williams Bay Scrappers Quilt Guild. They are providing all materials, tools needed, sewing machines, instructions and guidance!

Sign Up: by emailing Jodi Swatek at jodi.swatek@gmail.com with your name, 4-H club and time slot of attendance 8-10 am or 10 am – Noon. They time slots are just a guideline! If you can't come until 9, no problem! We are anticipating it to take approximately 1 hour to construct your pillowcase!
