What makes Lakeland 4-H Club unique? *We have fun along with learning!*

One thing new families should know about Lakeland 4-H Club is... *we try to work all together!*

While at a club meeting, some things families can expect to see or do include... *discussing what we will be doing in future months, members giving talks, and some kind of activity.*

Are parents welcome at meetings? *Absolutely! We love having them present!*

How can parents get involved in the club? What kinds of things can they do? *They can do anything they want to help the club achieve its goals.*

What kinds of programs do you anticipate your club doing this year? *The members do demonstrations, and we try to do a service project at every meeting.*

The leadership lets the members decide on what they want to do and then tries to help members meet those wishes.
