Youth at a typical meeting: 15

Age range of a majority of members: 10-15 years of age

Typical length of a meeting from start to finish: 60 minutes

What makes Springfield 4-H Club unique? *We're a small and family friendly club! We try to do activities that everyone will enjoy! We have an active Cloverbud group, too.*

One thing new families should know about Springfield 4-H Club is... we like to have fun while learning about 4-H and doing community projects. We use our Head, Heart, Hands, and Health to grow our members. We would love to have your family join us!

While at a club meeting, some things families can expect to see or do include...*discussions about what's going on in our club, ice breakers, and interactive demonstrations to keep things fun.*

Are parents welcome at meetings? *Yes! We encourage parents to stay and participate with their kids.*

How can parents get involved in the club? What kinds of things can they do? *We encourage our parents to help on committees or help with demonstrations or educational learning, as well.*

What kinds of programs do you anticipate your club doing this year? *We hope to go to the kite show in Feb. at Lake Lawn. We usually plan a spring and winter outing, and we do a community service project every year.*
