What makes Valley View 4-H Club unique? *We are a very open group, and everyone seems to help everyone else in their project work.*

One thing new families should know about Valley View 4-H Club is... *anyone is welcome at any time, and we are always open for learning new things! We do have a lot of livestock and horses, but we are excited to expand!*

While at a club meeting, some things families can expect to see or do include... *a business meeting, project talks and hands-on demonstrations led by youth, guest speakers, birthday snacks, and games/teambuilding exercises.*

Are parents welcome at meetings? *Of course! We encourage parents to help out and participate, as it shows positive reinforcement to the kids.*

How can parents get involved in the club? What kinds of things can they do? *Parents can help with coaching kids, sharing new ideas, and supporting the club's activities and events.*

What kinds of programs do you anticipate your club doing this year? *We're looking to have some guest speakers, hand-on activities, community service projects (e.g. ride-along bags for local police officers, and community beautification), maybe a trip, Christmas party, a picnic, visit local business to learn about them, and more!*

We're trying to keep 4-H fun for our kids. Our youth is our future, so we are trying to give back to them.
