What makes Walworth 4-H Club unique? *We are a small club, so everyone gets to know each other.*

One thing new families should know about Walworth 4-H Club is... *we are always available to answer any and all questions that people have. Friendly and helpful.*

While at a club meeting, some things families can expect to see or do include... *a business meeting and sharing session, time to socialize, candy bar distribution to honor birthdays, occasional snacks, and sundaes at the June meeting (in celebration of Dairy Month).*

Are parents welcome at meetings? *Yes! We are glad to have them stay so they understand what is going on. They need to be involved.*

How can parents get involved in the club? What kinds of things can they do? *Parents can help with refreshments, help the leaders, assist with projects, and share ideas.*

What kinds of programs do you anticipate your club doing this year? *We have a picnic in July, and a banquet in October. We do community service projects (including ditch clean-up), and visit Mt. Olympus every year.*

We use email communication. We have several animal projects. We are very open to other projects, and we have an active Cloverbud group!
