The University of Wisconsin-Madison Division of Extension is an EEO/AA institution committed to diversity among its employees and in its programs. If you need reasonable accommodations to participate in any of the 4-H Science Labs listed on this form, please contact the Extension Office at least one week before the scheduled program.

Registration Instructions:

1. Call 262-741-4959 or email deborah.harris@wisc.edu to reserve lab dates. Exception: call Kathy Tober for *Wonders of Wildlife*. (If more than one teacher in your building is planning to participate in any one of these programs, please coordinate your date and time requests whenever feasible.) Understand that dates are limited, and in the case of *Eggsploring Incubation*, equipment is limited.
2. Once you have established your program date/s with the Extension staff/presenter, complete the first page of this form in its entirety. Then, complete the applicable information below.
3. Return this form to: Walworth County Extension, 100 W. Walworth Street, P.O. Box 1001, Elkhorn, WI 53121. Fax: 262-741-4955. Email: deborah.harris@wisc.edu. You will be billed electronically for registration fees after you've submitted THIS registration form. Please do NOT send money until you receive a bill.
