

How to Complete this Challenge:

- 1) Participate in the November 30th Monthly Interactive Meeting starting at 6:30 p.m. Pre-register for this meeting to get the connection info. Use this link: https://uwmadison.zoom.us/meeting/registrer/tYkfpmpqz0rGdA72t_0ldMk56UtxqH1JdAc
- 2) Complete the popcorn experiment with the scientist presenter. Then, take a selfie with your finished product. Post it on social media with the hashtag **#Walco4#FamilyChallenge**. If you don't use social media, email your selfie to walco4h@gmail.com.
- 3) Complete the November Interactive Program Challenge participation report at this link: <https://forms.gle/gtA7dDQL8AJCpJFw5>.

UW-MADISON EXTENSION
Walworth County

An EEO/AA employer, University of Wisconsin-Madison Division of Extension provides equal opportunities in employment and programming including Title VI, Title IX, and Americans with Disabilities Act (ADA) requirements.

Monthly Interactive Meeting STEM Challenge November 2020

WHY are there two paper bags containing 3 TBSP of popcorn kernels in this month's 4-H packet?

Join us for the November Monthly Interactive Meeting as we use these scientific tools for a delicious science experiment! You WILL need access to a microwave oven, two bowls, a set of dry measuring cups, paper, and a pencil to participate. A phone with camera, scale to weigh stuff, salt, and butter are optional. Parent/guardian supervision is recommended.

When: Mon., Nov. 30 @ 6:30 p.m.

Guest scientEST, Tom Zinnen, UW-Madison Biotechnology Extension Specialist, will make science POP during this hands-on venture!
