- 3) Why is Rochelle nicknamed the "Hub City?"
- 4) On what radio frequency is the BNSF found?
- 5) Where was the small black engine made?
- 6) How many tracks total are located at the park?
- 7) What two rail lines cross at the park?
- 8) How many spokes does the turn table have? (Hint: The turn table is located near the visitor center and looks like a wagon wheel)
- 9) How did hobos communicate as they traveled on the trains?
- 10) What does a drawing of a cat mean?
