*Community gardens provide common ground for people to grow plants, build strong communities, and provide the space needed for a garden. Some benefits of gardening include raising fresh produce to save money, learning new gardening skills, getting exercise, time with neighbors, and unwinding.*

The Walworth County Community Gardens are located on the southern side of County Road NN, east of downtown Elkhorn between Lakeland Hospital and Lakeland School, and across the street from the Lakeland Health Care Center. (From downtown Elkhorn, travel east on County Road NN and turn right on Healy Road.)

# Walworth County Community Garden

### Our Goals:

- ✧ Improve scope of family vegetable production, consumption, and access.
- ✧ Expand access of fresh foods for limited-income residents.
- ✧ Provide educational programming for youth and adults to increase productivity of gardens, and to enhance awareness of the nutritional benefits of fresh vegetables.
- ✧ Donate part of our harvest to local food pantries.
- ✧ Provide a venue for outdoor activity for families and individuals, with the added advantage of reaping the benefits of fresh vegetables to enhance health.
- ✧ Provide garden space for people that may have limited outdoor space.
- ✧ Establish a respectful and friendly gardening atmosphere!
