What makes Big Foot 4-H Club unique? *We have no politics involved in our club. It's all about the kids!*

One thing new families should know about Big Foot 4-H Club is... *there is never a dumb question. Always ask the question if you are confused or don't understand something.*

While at a club meeting, some things families can expect to see or do include... *fun "pre-meeting" activities and business. Pre-meetings are always different, ranging from displays of different projects to crafts, science experiments, recreation, and more).*

Are parents welcome at meetings? *They are always welcome! We just ask that they sit in the back so the members are all together in front.*

How can parents get involved in the club? What kinds of things can they do? *Any way they want to help: serving as project leaders, running a pre-meeting activity, heading up a fundraiser, etc.*

What kinds of programs do you anticipate your club doing this year? *Fundraisers, corn maze, summer picnic, and lots of pre-meeting fun!*
