What makes LaGrange 4-H Club unique? *We are a small club with young members working hard to be good members of our community.*

One thing new families should know about LaGrange 4-H Club is... We are a young fun club with lots of potential to grow!

While at a club meeting, some things families can expect to see or do include... We go through the business part of the meeting and then have fun with an ice breaker to get to know each other better!

Are parents welcome at meetings? *Parents are more than welcome to stay! They may even get put to work!*

How can parents get involved in the club? What kinds of things can they do? *Our club is really open to having parents help in any way that they feel comfortable! There's opportunities to help lead club activities, teach project workshops, and much more!*

What kinds of programs do you anticipate your club doing this year? *We have a newer leader learning the ropes this year! We are hoping to have guest speakers and demonstrations from club members, as well as a couple of outings!*
