What makes Lake Beulah 4-H Club unique? *Our club is unique because of the members' vast interests and projects, as well as by the support we receive from our community.*

One thing new families should know about Lake Beulah 4-H Club is... *we aim to have fun at all of our meetings and events!*

While at a club meeting, some things families can expect to see or do include... *officers running the meetings, project talks by members, opportunities to brainstorm and discuss agenda items, and fun activities (icebreakers, teambuilding, and treats/refreshments).*

Are parents welcome at meetings? *Yes, always! The club is for the youth members. However, the parents are an integral part of the club.*

How can parents get involved in the club? What kinds of things can they do? *Parents can get involved by planning for and helping with club activities, fundraisers, and community projects, and by sharing their unique skills and experiences to provide learning opportunities for members.*

What kinds of programs do you anticipate your club doing this year? *Our club will be doing a variety of educational, service, fundraising, and recreation activities this year. A sampling of our programs includes: project talks, holding a "Tiny Fair," decorating senior living facilities, ringing bells for the Salvation Army kettle, escorting Santa to the ET square, decorating and riding on a July 4th float, and attending the club holiday party and summer picnic.*

We are excited for new families to join our club, as they bring new ideas, skills, and experiences to grow, educate, and empower our members. We hope you will consider joining us!
