What makes Springfield 4-H Club unique? *We try to be involved in our community and do a lot of fun things!*

One thing new families should know about Springfield 4-H Club is... We are a smaller club, but our group is very active.

While at a club meeting, some things families can expect to see or do include... *At each meeting we have a fun activity for all to participate in, club business gets done, and Cloverbuds have a special activity. We also try to bring in guest speakers at least once or twice throughout the year.*

Are parents welcome at meetings? *Yes! We encourage parents to come, and we welcome their input.*

How can parents get involved in the club? What kinds of things can they do? *Parents are welcome on any committee. They can also bring snack/drink to meetings, bring up things at the meetings for discussion, ask questions, and encourage their children to try new things.*

What kinds of programs do you anticipate your club doing this year? *We have a few fun workshops planned this year. We are looking at having some community leaders (police/fire/rescue) come in to do talks.*
