Outstanding Achievement Award Application

If additional pages are needed, add your own paper. If completing this document on the computer, you may adjust spacing between questions as needed, but do NOT change the font or size of the information provided. Your type may be no smaller than 10 point.

Name: _____

Club: _____

A. Share what you learned this past year through your participation in 4-H projects and activities. How did you know you grew your knowledge and skills?

B. How have you helped others through 4-H this year?

C. How did you determine what goals to set, and how did you accomplish them?

D. What leadership efforts have you made this year? How did you impact others with those efforts?

E. Tell us how you have been actively engaged in projects, activities, or both, this year.
