Youth at a typical meeting: 25-30

Typical length of a meeting from start to finish: 60 minutes

What makes Spring Prairie 4-H Club unique? *We have members from several school districts who are pursuing a wide variety of projects.*

One thing new families should know about Spring Prairie 4-H Club is... *We give members an opportunity to use their head, hands, heart and health to better the club, community, country and world.*

While at a club meeting, some things families can expect to see or do include... *We have fun, listen to speakers, make important 4-H announcements and have a couple of potlucks during the year.*

Are parents welcome at meetings? *Yes! Absolutely!*

How can parents get involved in the club? What kinds of things can they do? *Most importantly, parents help their child participate in 4-H. They can also help their child organize community service opportunities, schedule guest speakers and plan fun gatherings for members.*

What kinds of programs do you anticipate your club doing this year? *Helping members with projects and to get to know their community.*

Involvement from our members and their families is what makes our club successful.
