## Chaperone Opportunities

Adults interested in serving as camp chaperones should reach out to Debbie Harris at the Extension office to express interest and immediately enroll in 4HOnline as a 4-H volunteer chaperone. Chaperones must be fully screened 4-H adult volunteers with chaperone training at the time of camp. A limited number of positions are available. That said, we do need a few more chaperones (male and female) in order to camp this year! Please give this your consideration. Because chaperones will be training together this year, all chaperones must be identified no later than March 1. **Sooner is better.**

Chaperones must be at least 21 years of age at the time of camp, and it's recommended that alumni have taken at least two years off between counseling and chaperoning. Chaperones' registration fees are fully covered by the Walworth County Junior & Senior Leaders' Associations.
