What makes Linn 4-H Club unique?

We are a club with young membership, but they are a very involved club at both club and county levels.

We are always learning new ways to include everyone and look forward to finding what interests our new members.

While at a club meeting, some things families can expect to see or do include...

We encourage member involvement during meetings on all levels including public speaking.

Are parents welcome at meetings?

Always! We actually encourage parent involvement.

What kinds of programs do you anticipate your club doing this year?

We will do project related programs that our club members have interest or involvement in.
