What makes Sugar Creek 4-H Club unique? We are quite diverse.

One thing new families should know about Sugar Creek 4-H Club is...

We are very active and encourage our members to be active in their community.

While at a club meeting, some things families can expect to see or do include...

A community service project and a fun activity.

Are parents welcome at meetings?

Definitely, however we do ask that parents sit in the back of the room so kids can spread out during activities.

What kinds of programs do you anticipate your club doing this year?

We are doing a petting zoo at a nursing home, tie blankets for the tree house, and a summer fun party where we make birthday kits for the food pantry.
