Attendance at the orientation session *does not* satisfy this requirement for Seniors.
 - Approved shoots or competitions may take the place of up to two shooting sports practices (ex: Marshfield, West Bend, etc.) for members that are not in their first year of shooting sports. Three shoots or competitions will not be accepted as fulfilled requirements. All shooting sports members must attend at least one practice.
4. The **final decision** to allow 4-H members to participate in the County Shoot-Off will be made by the district instructors and will be based primarily on observed safe firearms and bow handling procedures. 5. Prior to the first practice, a parent permission slip must be completed and submitted for each discipline.
6. **4-H members participating in powder burning events or practices must be at least 12 years of age and show proof of Hunters' Safety Course completion.**

8. The Certified Leader reserves the right to alter the event as weather, terrain, or enrollment dictates.
9. The Certified Leader may modify or make procedural match changes in the interest of safety or to make the event run more smoothly. The Certified Leader will have the final say on issues of safety and range protocol.
10. An EEO/AA employer, University of Wisconsin-Madison Division of Extension provides equal opportunities in employment and programming, including Title VI, Title IX, the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act requirements. Please make requests for reasonable accommodations to ensure equal access to educational programs as early as possible preceding the scheduled program, service, or activity. To make an accommodation request please contact Janel Heidelmeier at janel.heidelmeier@wis.edu. All competitors must be able to compete effectively in a safe manner. Participants must provide proper eye and ear protection for powder burning events, and eye protection for air pistol and air rifle. Eye protection is recommended but not required for archery.

1. **Per BATF regulations**, all pistol shooters under the age of 18 must have in their possession a written permission statement from their parent or guardian stating their permission to possess and fire pistols.
