provides equal opportunities in employment and programming
in compliance with state and federal law.

Debbie Harris
4-H Youth Development Educator
deborah.harris@wisc.edu

- Provide meaningful opportunities for all youth and adults to work together to create sustainable community change.
- Empower youth to reach their full potential by working and learning in partnership with caring adults.
- Learn by doing.

HORTICULTURE

Julie Hill
Horticulture Educator
julie.hill@wisc.edu

- Teach gardening practices that reduce environmental contamination/pollution and promote environmental stewardship.
- Provide research based horticulture information and resources to home gardeners.
- Collaborate with local partners and the Master Gardener program to address community needs and opportunities.

AGRICULTURE

Josh Kamps
Regional Crop Educator
joshua.kamps@wisc.edu

Alison Pfau
Regional Dairy Educator
alison.pfau@wisc.edu

- Help producers implement research based best practices to improve soil health, increase crop productivity and streamline operations.
- Assist producers and growers in responding to volatile crop market conditions and help evaluate emerging markets.
- Lead critical animal management research and outreach initiatives for dairy, swine, beef, poultry, goat and sheep operations.
- Offer innovative programming on agricultural safety, farm succession planning and nutrient management best practices.

HUMAN DEVELOPMENT & RELATIONSHIPS

Amanda Kostman
Human Development and Relationships
Educator
amanda.kostman@wisc.edu

- Improve the financial capability of all county residents.
- Teach people how to secure and keep affordable housing.
- Facilitate professional development opportunities for helping professionals and volunteers.
